OPIATE LITIGATION

MDL No. 2804

Case No. 17-md-2804

This document relates to:

Judge Dan Aaron Polster

*All Cases.*

**MCKESSON CORPORATION'S SECOND SUPPLEMENTAL OBJECTIONS  
AND RESPONSES TO PLAINTIFFS' COMBINED DISCOVERY REQUESTS (NOS. 1-8)**

Defendant McKesson Corporation ("McKesson") hereby provides these second supplemental objections and responses to Plaintiffs' First Set of Combined Discovery Requests to Distributor Defendants in accordance with the Federal Rules of Civil Procedure 26, 33, and 34, the Local Rules of the Northern District of Ohio, and Case Management Orders 1, 2, and 3 (Docket Nos. 232, 441, and 443) entered in this action.

**GENERAL OBJECTIONS AND OBJECTIONS  
TO INSTRUCTIONS AND DEFINITIONS**

McKesson incorporates by reference as if fully set forth herein its General Objections to this set of requests as set forth in its Objections and Responses to Plaintiffs' Combined Discovery Requests (Nos. 1-8), served on July 30, 2018, and General Objections to Plaintiffs' First Set of Interrogatories and First Set of Requests for Production, served on May 29, 2018. In addition, to the extent that Plaintiffs' Combined Discovery Requests purport to seek clarification or prioritization of requests in Plaintiffs' First Set of Interrogatories and First Set of Requests for Production, McKesson incorporates by reference as if fully set forth herein its objections to the instructions and definitions used in those discovery requests.

**RESPONSES CONTAIN McKESSON CONFIDENTIAL

**OBJECTIONS AND RESPONSES TO REQUESTS**

**REQUEST NO. 1:**

Please produce all *transactional data* related to Opioids and/or Opioid Products from January 1, 1996 to the present; please identify the Bates stamp range for each related to *Case Track One*.

**RESPONSE TO REQUEST NO. 1 (07/31/2018):**

McKesson objects to this request on the grounds stated in General Objection Nos. 1-2 and further incorporates by reference as if fully set forth herein its objections and response to Plaintiffs' Request for Production No. 32. Subject to and without waiving these objections, McKesson responds that it has produced transactional data for shipments of opioids to Customers in Cuyahoga and Summit Counties for the time period January 1, 2006 through March 31, 2008 in native-file Excel format assigned production number MCKMDL00478913. McKesson will be supplementing its production to add transaction data from October 1, 2004 through December 31, 2005. Based on its investigation to date, McKesson does not have transaction data prior to October 1, 2004 or, if there is any data available (and none has been located to date), it is on archived tapes that cannot be accessed and that were archived from a proprietary system no longer used by McKesson that previously ran on a main frame computer that has been decommissioned.

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 1 (11/30/2018):**

Superseded by second supplemental response below.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 1 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request as set forth above. Subject to and without waiving these objections, McKesson responds as follows:

McKesson has produced transactional data for McKesson Customers in Cuyahoga and Summit Counties for 10/01/04 – 06/30/18 (data prior to 10/01/2004 is not available or accessible) – as follows:

- MCKMDL00409045 for 01/01/13 – 03/31/18 time period (produced 07/16/2018)
- MCKMDL00478913 for 01/01/06 – 03/31/18 time period (produced 07/25/2018)
- MCKMDL00579972 for 10/01/04 – 12/31/05 time period (produced 09/14/2018)
- MCKMDL00606062 for 04/01/18—06/30/18 time period (produced 09/28/2018)

**RESPONSES CONTAIN McKESSON CONFIDENTIAL  
INFORMATION SUBJECT TO PROTECTIVE ORDER**

In addition, McKesson produced updated transactional data for McKesson Customers in Cuyahoga and Summit Counties for 10/01/04 – 06/30/18 that includes net invoice value:

- MCKMDL00675597 through MCKMDL00675597 for 10/01/2004 – 06/30/2018 (produced 01/04/2019)

The net invoice value does not reflect all customer rebates and discounts, many of which are not tied to specific transactions in McKesson's financial records. Accordingly, the net invoice value may not reflect the actual price paid once applicable rebates and discounts are applied.

**REQUEST NO. 2:**

Please produce each of your *Suspicious Order Monitoring System (SOMS)* policies and procedures since January 1, 2006 and identify the Bates stamp range for each; please identify the effective date(s) each was in force and effect.

**RESPONSE TO REQUEST NO. 2 (07/31/2018):**

McKesson objects to this request on the grounds stated in General Objection Nos. 1-2 and further incorporates by reference as if fully set forth herein its objections and responses to Plaintiffs' Request for Production Nos. 21 and 23. Subject to and without waiving these objections, McKesson responds that it has produced multiple copies of relevant policies and procedures relating to its monitoring of controlled substances. This includes, but is not limited to, the documents produced bearing production numbers MCKMDL00354205-341, MCKMDL00330931-64, MCKMDL00355041-50, MCKMDL00354536-67, MCKMDL00354887-962, and MCKMDL00355260-95. McKesson will further supplement this response to identify additional copies of relevant policies and procedures relating to monitoring of controlled substances.

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 2 (11/30/2018):**

Superseded by second supplemental response below.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 1 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request as set forth above. Subject to and without waiving these objections, McKesson responds as follows:

McKesson has produced multiple copies of its policies and procedures for controlled substance monitoring, including the following produced versions identified by beginning production number:

In addition, documents relating to audits, reviews and recommendations of McKesson's anti-diversion efforts and controlled substance monitoring programs over time have been produced from the files of multiple custodians and from diligence files.

McKesson also has produced documents that address the history of McKesson's controlled substance monitoring programs, McKesson's communications with the DEA relating to those programs, and implementation of those programs. *See, e.g.*, documents with beginning production numbers MCKMDL00373814; MCKMDL00409116; MCKMDL00409483; MCKMDL00409554; MCKMDL00409572; MCKMDL00409607; MCKMDL00409619; MCKMDL00409636; MCKMDL00409662; MCKMDL00409676; MCKMDL00409714; MCKMDL00409766; MCKMDL00409794; MCKMDL00409798; MCKMDL00409800; MCKMDL00497638; MCKMDL00355585-586; MCKMDL00543760-762; MCKMDL00355665-671; and MCKMDL00355693.

McKesson also has produced multiple copies of the 2008 and 2017 agreements between McKesson and the DEA as follows:

- 2008 Agreement: MCKMDL00516358; MCKMDL00355561; and MCKMDL00332932.
- 2017 Agreements: MCKMDL00436371; MCKMDL00456215; MCKMDL00437016; MCKMDL00455508; MCKMDL00409953; MCKMDL00409953; MCKMDL00525744; MCKMDL00532527; MCKMDL00409953; MCKMDL00409953; MCKMDL00525744; MCKMDL00450846; MCKMDL00553478; MCKMDL00560086; MCKMDL00418388; MCKMDL00419211; MCKMDL00455508; MCKMDL00407401; MCKMDL00355452; MCKMDL00355477; MCKMDL00355513; MCKMDL00409953; MCKMDL00409953; MCKMDL00525744; MCKMDL00556364; MCKMDL00355322; MCKMDL00355349; MCKMDL00355416; and MCKMDL00707554 through MCKMDL00707683.

Additional documents relating to McKesson's distribution of opioids, its policies and procedures for controlled substance monitoring, and communications with the DEA have been

produced from the files of multiple McKesson custodians, in productions from non-custodial sources, and in the prior productions that McKesson produced in response to paragraph 9.k.ii of Case Management Order No. 1 (Docket No. 232) (referred to as “prior productions”). Appendix A identifies the McKesson custodians in this proceeding along with their current/last known title and their tenure at McKesson, including multiple custodians who were or are members of McKesson U.S. Pharma Regulatory Affairs. Appendix B is a log of McKesson’s productions to date that includes a description of each production along with production number ranges.

McKesson also uses data analytics, data feeds relating to registration, certification and licensing status, standard operating procedures (“SOPs”) and forms available online, and other proprietary online tools in connection with its CSMP (collectively “online tools”). Those online tools have evolved over time. They have been and are used to allow members of McKesson Regulatory Affairs to monitor distribution of controlled substances and to perform diligence relating to McKesson Customers, both generally and with regard to specific customers. McKesson’s policies and procedures documents and communications with the DEA (listed above by beginning production number) identify some of the reports and online tools that were available over time.

While these online tools operate off of McKesson’s network and cannot be produced as used by McKesson employees, documents relating to McKesson’s online tools have been produced, including SOPs and forms, documents identifying the types of reports available, and many examples of McKesson “solver” reports. *See, e.g.*, documents with beginning production numbers MCKMDL00536004 (identifying types of reports); MCKMDL00396072, MCKMDL00396104, and MCKMDL00396109 (examples of Script Dose Data Analyzer Tool Reports); MCKMDL00514845 (example of TCR Tracking Tool Report); MCKMDL00514839

(example of TCR Tracking SOP); MCKMDL00455859 (example of Customer Onboarding Tracker); MCKMDL00448931 (example of Threshold Text Builder Tool); MCKMDL00396074, MCKMDL00397863, MCKMDL00397865, MCKMDL00397868, and MCKMDL00397870 (examples of Solver reports); MCKMDL00144253 (example of CSMP Customer Master Listing); MCKMDL00571387 (example of CSMP Customer Purchase Summary); MCKMDL00048565 and MCKMDL00056613 (examples of CSMP Customer Threshold Master Report); MCKMDL00535047 (example of CSMP DEA Family Threshold Report); MCKMDL00571386 (example of CSMP Threshold Adjustment Recap Report). McKesson also has produced native-file .twbx versions of the McKesson Government, ISMC and RNA Solvers on Tableau (MCKMDL00666752, MCKMDL00666753, and MCKMDL00666754). McKesson also has produced documents from the custodial files of Bernard Martin, Nawang Kunga, and members of Regulatory Affairs relating to McKesson's data analytics, online tools, solvers, and other SOPs, reports and forms.

McKesson has presented Nate Hartle and Gary Boggs as Rule 30(b)(6) designees in response to deposition topics related to McKesson's distribution of opioids, its CSMP and predecessor monitoring programs, and communications with the DEA. Additional information about McKesson's distribution of opioids, its CSMP and predecessor monitoring programs, and communications with the DEA has been provided by former and current McKesson employees who have been deposed in this proceeding, including Gary Boggs, William deGutierrez-Mahoney, Nate Hartle, Gary Hilliard, Tracy Jonas, Nawang Kunga, Thomas McDonald, Michael Oriente, and Donald Walker. Attached as Appendix C is a list of all McKesson witnesses deposed in Track One of this proceeding with their current or last known title.

**REQUEST NO. 3:**

Please identify and describe each *suspicious order* your Suspicious Order Monitoring System (SOMS) identified since January 1, 2006 and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

**RESPONSE TO REQUEST NO. 3 (07/31/2018):**

McKesson objects to this request on the grounds stated in General Objection Nos. 1-2 and further incorporates by reference as if fully set forth herein its objections and response to Plaintiffs' Request for Production No. 33. Subject to and without waiving these objections, McKesson responds that it has produced a report identifying blocked opioid orders placed by Customers in Cuyahoga and Summit Counties for the time period January 1, 2006 through December 17, 2017 in native-file Excel format assigned production number MCKMDL00478912. During earlier time periods, McKesson submitted DU-45 forms to the DEA relating to suspicious orders. To the extent that these hard copy records still exist, they are stored in the McKesson distribution center that submitted the report or in offsite storage. McKesson is reviewing its files to collect and produce any DU-45 reports that still exist and that were submitted by the New Castle Distribution Center relating to opioid orders placed by Customers in Cuyahoga and Summit Counties.

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 3 (11/30/2018):**

Superseded by second supplemental response below.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 3 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request and its second supplemental response to Request No. 2 as set forth above. Subject to and without waiving its objections, McKesson responds as follows:

McKesson has produced blocked/suspicious order reports for McKesson Customers in Cuyahoga and Summit Counties for mid-2008 – 06/30/18 that describe each of these orders as follows:

- MCKMDL00409044 for 01/01/13 – 12/18/17 time period (produced 07/16/2018)
- MCKMDL00478912 for 01/01/06 – 12/18/17 time period (produced 07/25/2018) (report begins at 01/01/06 but entries do not begin until mid-2008)
- MCKMDL00616425 and MCKMDL00616426 for 12/19/17 – 06/30/18 time period (produced 10/12/18)

**RESPONSES CONTAIN McKESSON CONFIDENTIAL  
INFORMATION SUBJECT TO PROTECTIVE ORDER**

The orders listed on these reports were not shipped to the customer. The reports provided by McKesson specify whether or not the blocked order was reported to the DEA. For blocked orders that were reported to the DEA, McKesson makes its reports in the format required by the DEA and it maintains PDF versions of those reports (made daily from each of the McKesson distribution centers). McKesson has produced this information in this proceeding in Excel spreadsheets so that the data is readily usable.

For earlier time periods, McKesson provided DU-45 reports to the DEA. Those reports were provided to the DEA and maintained by McKesson as hard copy paper records. McKesson stored its copies in its distribution centers or in offsite storage. McKesson has not located any DU-45 reports for the New Castle Distribution Center (the McKesson distribution center that shipped more than 99% of the opioid products to McKesson Customers in Cuyahoga and Summit Counties). However, McKesson has produced examples of DU-45 reports from its Atlanta, Delran, Denver, Lakeland, Landover, Oklahoma City, and St. Louis distribution centers bearing production numbers MCKMDL00651614 through MCKMDL00651826 and MCKMDL00653069 through MCKMDL00661435.

With regard to diligence performed by McKesson, McKesson has produced its diligence files for McKesson Customers in Cuyahoga and Summit Counties, as follows:

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 4 (11/30/2018):**

McKesson incorporates by reference its objections and response to this request and its supplemental responses to Request Nos. 2 and 3 as set forth above. McKesson's supplemental response to Request No. 3 responds with regard to orders reported to the DEA.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 4 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request and its second supplemental responses to Request Nos. 2 and 3 as set forth above. McKesson's supplemental response to Request No. 3 responds with regard to orders reported to the DEA.

**REQUEST NO. 5:**

For each suspicious order you identified but did not report to the DEA since January 1, 2006, please describe in as much detail as possible the reasons and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

**RESPONSE TO REQUEST NO. 5 (07/31/2018):**

McKesson objects to this request on the grounds stated in General Objection Nos. 1-2 and further incorporates by reference as if fully set forth herein its objections and response to Plaintiffs' Request for Production No. 33. Subject to and without waiving these objections, McKesson responds that it has produced a report identifying blocked opioid orders placed by Customers in Cuyahoga and Summit Counties for the time period January 1, 2006 through December 17, 2017 in native-file Excel format assigned production number MCKMDL00478912. This report specifies whether the blocked order was reported to the DEA. During earlier time periods, McKesson submitted DU-45 forms to the DEA relating to suspicious orders. To the extent that these hard copy records still exist, they are stored in the McKesson distribution center that submitted the report or in offsite storage. McKesson is reviewing its files to collect and produce any DU-45 reports that still exist and that were submitted by the New Castle Distribution Center relating to opioid orders placed by Customers in Cuyahoga and Summit Counties.

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 5 (11/30/2018):**

Superseded by second supplemental response below.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 5 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request and its second supplemental responses to Request Nos. 2 and 3 as set forth above. Subject to and without waiving its objections, McKesson responds as follows:

With regard to diligence performed by McKesson, McKesson has produced its diligence files for McKesson Customers in Cuyahoga and Summit Counties, as follows:

and their tenure at McKesson, including multiple custodians who were or are members of McKesson U.S. Pharma Regulatory Affairs. Appendix B is a log of McKesson's productions to date that includes a description of each production along with production number ranges.

McKesson has presented Nate Hartle and Gary Boggs as Rule 30(b)(6) designees in response to deposition topics related to McKesson's distribution of opioids, its CSMP and predecessor monitoring programs, and communications with the DEA. Additional information about McKesson's distribution of opioids, its CSMP and predecessor monitoring programs, and communications with the DEA has been provided by former and current McKesson employees who have been deposed in this proceeding, including Gary Boggs, William deGutierrez-Mahoney, Nate Hartle, Gary Hilliard, Tracy Jonas, Nawang Kunga, Thomas McDonald, Michael Oriente, and Donald Walker. Attached as Appendix C is a list of all McKesson witnesses deposed in Track One of this proceeding with their current or last known title.

**REQUEST NO. 6:**

For each suspicious order you reported to the DEA since January 1, 2006, please identify whether you *declined* the order or *shipped* the order and produce all documents related thereto; please identify the Bates stamp range for each related to *Case Track One*.

**RESPONSE TO REQUEST NO. 6 (07/31/2018):**

McKesson objects to this request on the grounds stated in General Objection Nos. 1-2 and further incorporates by reference as if fully set forth herein its objections and response to Plaintiffs' Request for Production No. 33. Subject to and without waiving these objections, McKesson responds that it has produced a report identifying blocked opioid orders placed by Customers in Cuyahoga and Summit Counties for the time period January 1, 2006 through December 17, 2017 in native-file Excel format assigned production number MCKMDL00478912. **SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 6 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request and its second supplemental responses to Request Nos. 2 and 3 as set forth above. Subject to and without waiving its objections, McKesson responds as follows:

McKesson has produced blocked/suspicious order reports for McKesson Customers in Cuyahoga and Summit Counties for mid-2008 – 06/30/18 as follows:

- MCKMDL00409044 for 01/01/13 – 12/18/17 time period (produced 07/16/2018)
- MCKMDL00478912 for 01/01/06 – 12/18/17 time period (produced 07/25/2018) (report begins at 01/01/06 but entries do not begin until mid-2008)
- MCKMDL00616425 and MCKMDL00616426 for 12/19/17 – 06/30/18 time period (produced 10/12/18)

The orders listed on these reports were not shipped to the customer.

For earlier time periods, McKesson provided DU-45 reports to the DEA. Those reports were provided to the DEA and maintained by McKesson as hard copy paper records. McKesson stored its copies in its distribution centers or in offsite storage. McKesson has not located any DU-45 reports for the New Castle Distribution Center (the McKesson distribution center that shipped more than 99% of the opioid products to McKesson Customers in Cuyahoga and Summit Counties). However, McKesson has produced examples of DU-45 reports from its Atlanta, Delran, Denver, Lakeland, Landover, Oklahoma City, and St. Louis distribution centers bearing production numbers MCKMDL00651614 through MCKMDL00651826 and MCKMDL00653069 through MCKMDL00661435.

McKesson is reviewing its files to collect and produce any DU-45 reports that still exist and that were submitted by the New Castle Distribution Center relating to opioid orders placed by Customers in Cuyahoga and Summit Counties. In addition, to the extent that this request calls for identification of diligence files for Customers in Cuyahoga and Summit Counties, McKesson responds that it has produced documents from these diligence files with the production numbers MCKMDL00397861 through MCKMDL00402444 and MCKMDL00496212 through MCKMDL00496305. McKesson will supplement this response to the extent that it produces additional documents from diligence files for Customers in Cuyahoga and Summit Counties.

**SUPPLEMENTAL RESPONSE TO REQUEST NO. 7 (11/30/2018):**

Superseded by second supplemental response below.

**SECOND SUPPLEMENTAL RESPONSE TO REQUEST NO. 7 (03/04/2019):**

McKesson incorporates by reference its objections and response to this request and its second supplemental responses to Request Nos. 2 and 3 as set forth above. Subject to and without waiving its objections, McKesson responds as follows:

With regard to diligence performed by McKesson, McKesson has produced its diligence files for McKesson Customers in Cuyahoga and Summit Counties, as follows:

**REQUEST NO. 8:**

Please produce and identify the Bates stamp range of all communications to and/or from the DEA since January 1, 2006, related to Opioids and/or Opioid Products (including the 2006/2007 “*Rannazzisi letters*”).

**RESPONSE TO REQUEST NO. 8 (07/31/2018):**

McKesson objects to this request on the grounds set forth in General Objection Nos. 1-2 and further incorporates by reference as if fully stated herein its objections and response to Request for Production No. 16. Subject to and without waiving its objections, in addition to documents contained in its prior productions, the following documents produced by McKesson relate to or constitute communications relating to interactions with the DEA relating to opioids and also include the 2006 and 2007 Rannazzisi letters and documents relating to the DEA Order to Show Cause Hearing (Lakeland, Florida Distribution Center):

prior versions of this tracking chart and also are identified in the McKesson production log.

Additional documents relating to DEA communications and other DEA-related documents have been produced from the files of multiple McKesson custodians.

Additional documents relating to communications with the DEA have been produced from the files of multiple McKesson custodians, in productions from non-custodial sources, and in the prior productions that McKesson produced in response to paragraph 9.k.ii of Case Management Order No. 1 (Docket No. 232) (referred to as “prior productions”). Appendix A identifies the McKesson custodians in this proceeding along with their current/last known title and their tenure at McKesson, including multiple custodians who were or are members of McKesson U.S. Pharma Regulatory Affairs. Appendix B is a log of McKesson’s productions to date that includes a description of each production along with production number ranges. In addition to the productions it has made to date, McKesson anticipates that it will produce additional documents from custodial and non-custodial sources that may include information about McKesson’s communications with the DEA.

McKesson has presented Gary Boggs as a Rule 30(b)(6) designee in response to deposition topics related to McKesson’s communications with the DEA. Additional information about the 2008 and 2017 settlement agreements and McKesson’s communications with the DEA has been provided by former and current McKesson employees who have been deposed in this proceeding, including Gary Boggs, William deGutierrez-Mahoney, Nate Hartle, Gary Hilliard, Tracy Jonas, Thomas McDonald, Michael Oriente, and Donald Walker. Attached as Appendix C is a list of all McKesson witnesses deposed in Track One of this proceeding with their current or last known title.
